Re: National Lawyers Guild v. Attorney General, et al.

of information on the NLG or its projects, the court approved settlement provides that present or former NLG members may request that their individual files which reflect Guild affiliation or activities be similarly withheld. Pursuant to this provision, the NLG has compiled the attached list of individual NLG members who have requested relief under 8c(iv) of the Settlement.<sup>1</sup>

Accordingly, IMD is requested to identify any individual on the attached list who has a file reflecting NLG affiliation or activities which was created prior to 3/1/77. Any identified file should be appropriately labeled to insure non-disclosure as required by the settlement. Please advise Legal Counsel Division as to the results of the indices search, including the number of individual files identifiable with the NLG, individuals for whom no file could be located or are not identical, and the actions taken to comply with the order. In addition, please preserve all search slips in case we are required to respond to the Court regarding our compliance. It is likely that no files will be identified with a substantial number of the individuals on the attached list. Finally, inasmuch as the Settlement applies to all FBI files, the Field should also be requested to conduct indices searches and to appropriately label their files.

We recognize that this is a time-consuming chore that is being imposed on IMD during a time of limited resources. Nevertheless, we have made this commitment to the court and we are

c. The federal agencies which are parties defendant to this action (specifically, the FBI, the Central Intelligence Agency, the National Security Agency, the Internal Revenue Service, the Office of Personnel Management, the Postal Service, and the Departments of Defense, Justice, State, the Treasury, the Army, the Navy and the Air Force) shall not use, release or disclose, within or outside the Government:

(iv) any portion of any document or record created prior to March 1, 1977, or the information contained therein, to the extent that it mentions the Guild affiliation or Guild activities of any individual, provided, however, that because of the federal defendants' representation of the practical impossibility of assuring compliance with such broad restrictions, the following limitations shall apply:

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

-----x  
NATIONAL LAWYERS GUILD, :  
 :  
 Plaintiff, : STIPULATION AND  
 : ORDER OF SETTLEMENT  
 - against - : AND DISMISSAL  
 :  
 ATTORNEY GENERAL OF THE : 77 Civ. 999 (PKL)  
 UNITED STATES, et al., :  
 :  
 Defendants. :  
-----x

IT IS HEREBY STIPULATED AND AGREED by and among the parties as follows:

1. The parties agree to settle and compromise this action on the terms indicated below.
2. This action is hereby dismissed with prejudice as to all defendants except the City of New York, i.e., the "federal defendants."
3. Plaintiff hereby releases and forever discharges, and for its administrators, successors and assigns releases and forever discharges, the United States of America, its departments, agencies and past or present officials, officers and employees (and their heirs, executors, administrators, successors and assigns) from all claims whatsoever, in law, admiralty, or equity, which plaintiff and its administrators, successors and assigns hereafter can, shall or may have for, upon or by reason of any surveillance, investigation, disruption, or similar conduct by the Federal Bureau of Investigation ("FBI") directed toward the National Lawyers Guild (the "Guild") at any time prior to the date of this stipulation; provided, however, that

PKM:cb  
4-967/2

plaintiff is entitled to rely upon the federal defendants' representations set forth in paragraph 7 below, and any claim based upon any conduct of the federal defendants inconsistent with such representations shall not be barred by the above release.

4. Each party shall bear the costs and expenses of this litigation as they have been incurred or paid as of the date of this stipulation and no costs or expenses shall be taxed subsequently. Plaintiff and its attorneys waive all claims for attorneys' fees and expenses in connection with the prosecution of this action.

5. This stipulation and agreement does not constitute an admission by the plaintiff that any of the conduct of the federal defendants was lawful, or an admission by the federal defendants or any of their present or former officials, officers or employees that any of their conduct was unlawful or legally actionable.

6. Without conceding the legality or illegality of any of the federal defendants' actions, the parties agree that the discovery in this case has shown the following:

a. The FBI engaged in extensive activities with respect to the Guild for the period 1940 through March 1975, and in the course of those activities generated voluminous files on the Guild.

b. It appears more likely than not that between 1940 and 1951 the FBI surreptitiously entered the Guild's national office approximately 7 times without judicial warrant or

Attorney General authorization and copied the Guild's internal records. Some of the material thus obtained provided the Government in advance with drafts of a report the Guild was planning to release criticizing FBI surveillance practices, and with details of the Guild's related public campaign calling for an investigation of the FBI. The FBI used this material in an effort to counter the Guild's report even before its issuance.

c. The FBI without judicial warrant maintained a wiretap on the Guild's national office telephone between 1947 and 1951.

d. Information derived from the surreptitious entries formed a material part of the information placed before the Attorney General for his consideration in deciding whether to initiate proceedings to designate the Guild as a subversive organization under the Federal Employment Loyalty Security Program, Executive Order 10450. Such designation proceedings were begun in 1953.

e. The FBI received information from an informant on the national executive board of the Guild in 1953 and 1954 who reported on its deliberations and discussions with counsel concerning the Guild's defense of the EO 10450 administrative designation proceedings and its conduct of related litigation against the Government.

f. In 1958, the Department of Justice determined that on the basis of the evidence then available it was unable to go forward with the designation proceedings, and the Attorney General therefore rescinded the proposal to designate the Guild

PKM:cb  
4-967/2

as a subversive organization under EO 10450. There were no further proceedings against the Guild under EO 10450.

g. The FBI continued its activities with respect to the Guild after the designation proceedings were discontinued in 1958. A Department of Justice review conducted in 1972 of the FBI's files on the Guild for the preceding five years concluded that there was no basis at that time for an investigation of the Guild under the Internal Security Act of 1950. In 1974-1975 the FBI, with Department of Justice authorization, conducted a preliminary inquiry concerning the Guild's prison work without discovering any basis for a further investigation.

h. Alleged or suspected criminal wrongdoing was not the predicate or reason for FBI activity concerning the Guild. No criminal prosecutions of the Guild were ever authorized or undertaken by the Department of Justice.

i. From 1940 through the early 1970's, the FBI placed Guild members on its Security Index, Adex and related indices because of their leadership positions in the Guild or, in some cases, because of their membership in the Guild in conjunction with their actual or suspected membership in other organizations.

j. The FBI engaged in certain COINTELPRO and similar disruptive operations against the Guild and Guild members. The FBI used information it had derived from its other activities with respect to the Guild and Guild members for that purpose.

PKM:cb  
4-967/2

k. The FBI over several decades provided information from its files on the Guild affiliation and activities of individuals to the National Conference of Bar Examiners at the request of the NCBE.

l. Further, at various times in its activities with respect to the Guild, the FBI used numerous informants and confidential sources, including Guild members and staff and third parties in contact with the Guild; obtained Guild bank records from banks with which the Guild had banking relations; obtained information from the National Conference of Bar Examiners and from some character committees; monitored trash covers on the Guild; and obtained information about the Guild from its surveillance of the law offices of some Guild members, which surveillance included use of trash covers, wiretaps, informants on the temporary or permanent staff of the law offices, bank records and surreptitious entries.

m. The conclusions stated here do not imply that the FBI did or did not engage in other activities.

7. The federal defendants represent as follows:

a. There is not now, and has not been since March 1977, any FBI investigation or preliminary inquiry of any nature of the Guild or its chapters, or of its projects, activities or enterprises readily identifiable as such or of individuals based upon their Guild affiliation or activities, and the FBI does not presently have information warranting any such investigation or preliminary inquiry.

b. To the extent, if any, that FBI inquiries or investigation of third parties has resulted in surveillance or acquisition of information about the Guild since March 1, 1977, no information so acquired has been stored in FBI investigative (i.e., non-litigation) main files on the Guild or its projects (as specified in Appendix A hereto) or see-referenced or otherwise indexed to the Guild or its projects, except as may have been disclosed to the plaintiff in this litigation.

c. There have been no additions to FBI investigative (i.e., non-litigation) main files on the Guild or its projects (as specified in Appendix A) or to see-references on the Guild or its projects, since March 1977, except as may have been disclosed to the plaintiff in this litigation.

d. The FBI is not now, and has not since March 1977, engaged in any activities intended to disrupt or impede the activities of the Guild or the Guild activities of its members, or the activities of individuals based upon their Guild affiliation.

e. The FBI does not now, and has not since March 1977, used Guild members as informants or confidential sources with respect to matters involving the Guild or Guild activities, placed wiretaps or pen registers on Guild telephones, surreptitiously entered Guild premises, obtained access to Guild bank records, maintained mail covers on Guild mail, maintained trash covers on the Guild, obtained access to Guild information at mailhouses used by the Guild, otherwise secured mailing or

PKM:cb  
4-967/2

membership lists of the Guild or obtained phone records on the Guild's phones.

f. Since March 1, 1977, and presently, the FBI has not provided information on the Guild affiliation or activities of individuals to the National Conference of Bar Examiners or to bar admission committees.

8. The federal defendants agree to the following disposition of their files concerning the plaintiff:

a. For purposes of this provision, the "FBI files on the Guild" means Headquarters, Field Office and Legat main files on the National Lawyers Guild and its projects (as specified in Appendix A); wiretap logs included in the main file on Robert Silberstein; EBF's to the Guild main files and the wiretap logs in the Silberstein main file; the see-reference cards and any other similar computerized or non-computerized reference capable of locating Guild-related information in files other than main files on the Guild, as well as references to the Guild in the Elsur Index and any indices to the informant files; and copies of the foregoing and any summaries thereof included in the FBI file on this litigation (62-117572). It is limited to documents created prior to the date of this stipulation.

b. Within 180 days after the date of this stipulation, the FBI shall place all copies of the "FBI files on the Guild" in its possession or custody in secure storage under the supervision of the Deputy Assistant Director, Legal Counsel Division, and shall not dispose of, or permit access to, such

files before the year 2025. At that time the files may be transferred to the National Archives and Records Service.

c. The federal agencies which are parties defendant to this action (specifically, the FBI, the Central Intelligence Agency, the National Security Agency, the Internal Revenue Service, the Office of Personnel Management,\* the Postal Service, and the Departments of Defense, Justice, State, the Treasury, the Army, the Navy and the Air Force) shall not use, release or disclose, within or outside the Government:

(i) any "FBI files on the Guild" readily identifiable as such, or copies thereof, in their possession or custody;

(ii) any portion of any document or record which is shown on its face to have been generated, prior to the date of this stipulation, in the course of any FBI activities directed in whole or in part toward the Guild, to the extent it concerns the Guild or its activities or the Guild affiliation or Guild activities of any individual;

(iii) any information contained in (i) and (ii) or reasonably identifiable as having been derived from (i) and (ii); or

---

\* The Office of Personnel Management is substituted as a party defendant in place of the Civil Service Commission pursuant to Rule 25 of the Federal Rules of Civil Procedure.

(iv) any portion of any document or record created prior to March 1, 1977, or the information contained therein, to the extent that it mentions the Guild affiliation or Guild activities of any individual, provided, however, that because of the federal defendants' representation of the practical impossibility of assuring compliance with such broad restrictions, the following limitations shall apply:

(a) With respect to documents or records of defendant federal agencies other than the FBI, this subparagraph (iv) shall apply only to such documents or records as are contained in a file the subject of which is either the Guild or a "Requesting Individual" (as defined below).

(b) With respect to documents or records of the FBI, this subparagraph (iv) shall apply only to such documents or records as are contained in a main file the subject of which is a "Requesting Individual" (as defined below), or in a volume containing see-references to the Guild, or in serials which are see-referenced to a

Requesting Individual (but only to the extent that such serials are accessed through the name of the Requesting Individual).

(c) A "Requesting Individual" is a present or former Guild member who requests, in writing, that this subparagraph (iv) be applied to him or her, and who includes in such request his or her full name, any previous names, date and place of birth, and social security number. Such information is required to identify relevant documents and records and will not be used for any other purpose. Requests must be sent to plaintiff's counsel and forwarded by them to counsel for the federal defendants within 180 days of the date of this stipulation.

d. Nothing herein shall preclude any agency from returning to the FBI any "FBI files on the Guild" or copies thereof in its possession (in which event the FBI shall handle such files as provided in subparagraph (b) above), or from disposing of any files by either destroying them in the ordinary course of business, or transferring them to the National Archives and Records Service in or after the year 2025. The United States Attorney's Office for the Southern District of New York will

return any copies of the "FBI files on the Guild" in its possession to the FBI within 90 days of the date of this Stipulation.

e. If, upon the application of a third party, subparagraphs (b) or (c) above, or any portion thereof, shall be invalidated by any court, no other provision of this stipulation and order shall thereby be affected.

f. Anything in this stipulation to the contrary notwithstanding, the Department of Justice may have access to and use of any of the documents and records described in subparagraphs (a), (b) and (c) above to the extent relevant and material to the defense of the United States or any of its departments, agencies, officers or employees in any judicial or administrative proceedings the gravamen of which arises from conduct alleged to have occurred prior to the date of this stipulation. Appropriate records shall be maintained of any such use. Upon completion of the litigation for which the records were necessary, they and any records derived from them shall be restored to the status quo ante except if they were filed as part of the court record in the litigation.

g. Nothing in this stipulation shall preclude the Guild from requesting the release to it, under the Freedom of Information Act or any successor statutes, of those portions of the "FBI files on the Guild" not previously released to it, or the FBI from releasing the same to the Guild if appropriate under such statutes; provided, however, that the Guild shall make no such request prior to January 1, 1994.

PKM:cb  
4-967/2

h. Nothing in this stipulation shall preclude the federal defendants from releasing or disclosing any document or file at the request or with the authorization of the subject of such document or file.

Submitted herewith are four copies of the report of SA [redacted] 12/7/55, NY.

ReNYlet set forth a succinct resume concerning the activities of BELLA ABZUG at which time it was recommended that she be deleted from the Security Index inasmuch as her reported activities did not warrant her continued retention thereon.

OTHER

Although the report submitted herewith reflects [redacted]

[redacted] that during the period of May, 1946, through 1954, she was on occasions associated with the CRC and was the recipient of legal fees from the CRC; that information furnished in 1954 indicated BELLA ABZUG was one of the top contacts of the American Peace Crusade; that the subject's associates in business have been identified as either CP members or individuals in sympathy with the Communist Movement; and that in 1955 a meeting between [redacted]

b6  
b7C  
b7D

[redacted] and the subject was to be arranged in the future; there is no evidence of CP membership on the part of the subject within the past five years which warrants the subject's retention in the Security Index of the NYO.

In view of the subject's position, it is not recommended the subject be considered for interview, and this case is being placed in a closed status.

In the event additional/subversive information is received regarding the subject, consideration will be given to reopening this case and reconsidering the subject for inclusion in the Security Index of the NYO.

AFFILIATION WITH THE COMMUNIST MOVEMENT

Membership

During late 1955 and early 1956, T-1, a self-admitted former Communist Party (CP) and Communist Political Association (CPA) member from 1942 to June, 1951, advised that she never attended any CP meetings with ABZUG. However, she believed ABZUG was a CP member because of the following reasons:

The subject worked with the firm of Nat Witt and Harold Cammer, 9 East 40th Street, in 1947. They told the subject that she could be a partner in this firm after working with them for one year. WITT and CAMMER did not honor this agreement and, therefore, a hearing was held before top CP lawyers. Informant also advised that the subject argued the WILLIE MC GEE case in Washington, D.C., on an unknown date. Informant also advised that the subject devoted a large amount of her time to the Civil Rights Congress (CRC) and furthermore that the subject was the last person to speak to WILLIE MC GEE before his execution.

[REDACTED] Informant stated that he knew HAROLD O'CAMMER and NATHAN WITT to be CP members since they were accepted as such at the "Daily Worker".

T-3, who has furnished reliable information in the past, advised in April, 1951, that the trade union committee to save WILLIE MC GEE was formed in February, 1951 with WILLIAM HOOD of Detroit, Michigan, as chairman and EWART GUINIER as treasurer and was made up of representatives from various unions interested in the case of WILLIE MC GEE, a Negro convicted and subsequently executed in the State of Mississippi on the charge of rape.

T-3 advised that the committee which was temporary in nature and functioned spasmodically until the execution of MC GEE was dominated by the CP through EWART GUINIER, JAMES MALLOY and other Communists.

T-3 advised that BEN GOLD, International Fur and Leather Workers Union and WILLIAM L. PATTERSON, CRC, were two of the main sponsors of this committee.

In the June 16, 1950 issue of the "New York Herald Tribune" it was reflected that on June 15, 1956 the Congress of Industrial Organizations (CIO) Executive Board voted to oust the International Fur and Leather Workers Union because it followed the CP line.

T-3 further advised on June 4, 1955 that WILLIAM L. PATTERSON was National Executive Secretary of the CRC and was known to the informant as a Communist.

The CRC and its affiliates have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

APPENDIX

EMERGENCY CIVIL LIBERTIES COMMITTEE

The "Daily Worker", an east coast Communist daily newspaper, issue of October 8, 1951, page 1, columns 4 and 5, in an article entitled "150 Notables Form Emergency Civil Rights Committee", reflected that the formation of the Emergency Civil Liberties Committee (ECLC) had been announced on October 7, 1951. It was shown that the purpose of the organization would be to help mobilize public opinion in support of the traditional American constitutional guarantees of civil liberties and to render aid to victims of abridgment of these liberties in politics, education, and the professions. The founders, according to the article, included more than 50 members of the clergy and many educators and professionals.

A confidential informant, who was in a position to furnish reliable information, on October 21, 1955, furnished information reflecting that the Communist Party (CP) felt that help should be extended in building a "united front civil liberties organization" in the United States which, while not led by the "left", would contain labor, liberal and "left forces" within it in a commonly agreed program, including defense of the rights of Communists.

The information further indicated that the CP felt that this aim can best be achieved by helping the ECLC to become a national organization with local chapters operating on the basis of its program.

The headquarters of the ECLC is located at 421 7th Avenue, New York City.

AMERICAN LABOR PARTY

A confidential informant, who has furnished reliable information in the past, advised on September 9, 1954, that from the time of its inception in 1936, there existed within the American Labor Party (ALP) a struggle for power among three groups. These were the Communist Party (CP), the Socialist Party and the Social Democrats. By the early 1940's, the CP emerged as the controlling force within the ALP in the major industrial areas in New York State. Generally these were the areas around Albany, Buffalo, Jamestown, Rochester, Schenectady, Syracuse, Troy, and the Hudson River Valley; Columbia, Dutchess, Massau and Westchester Counties; and New York City, with the exception of Brooklyn. In 1942, the CP was able to capture the ALP in Brooklyn. The informant knew this situation to continue up until at least 1949. The ALP never developed into an organization of any real consequence in the nonindustrial areas of New York State.

Another informant, who has furnished reliable information in the past, advised on May 4, 1956, that the CP then, as in the past, through its members in key positions in the ALP, constituted the force that controlled it.

On October 7, 1956, PETER HAWLEY, New York State chairman, ALP, announced the ALP state committee unanimously approved a resolution dissolving the organization and ordering the liquidation of its assets.

[redacted] reported on 6/10/60, that [redacted] an employee of Morris Cohen and Company, in a conversation with one [redacted] (LNU) on 6/10/60, stated that he was in a position to obtain good information from an outside source concerning stock tips. He said he had a contact from the old days who is now in the street and one who has Swiss banks as his clients. [redacted] went on to say that the individual is MARTIN ABZUG, "whose wife is a very wealthy attorney, and they are both cleaning up in the market!"

[redacted] stated that ABZUG does all the research and handles the accounts for Swiss banks and G. W. Richards, the firm with which ABZUG is associated, is an old New York firm. b6 b7C

[redacted] is the subject is Bufile 100-21566, NYfile 100-20894. He was reported to be a member of the CPA in 1944 and was an officer in the National Maritime Union during the 40's.

Inasmuch as the subject was not mentioned directly in this conversation, this information was not set out in details of the report.

Efforts to contact neighbors of subject made on different occasions with negative results. It was determined that many Negroes have moved into the area in which the subject is residing and the neighborhood is considered an integrated one. On 1/31/61, Mrs. EDD RYAN, 410 Cedar Avenue, Mt. Vernon, NY, who is of the white race, advised that the subject lived across the street from her but had no contact with her. Mrs. DUNCAN SHERRER, 239 East 5th St., Mt. Vernon and Mr. CHARLES BALL, 233 East 5th St., Mt. Vernon, both Negro, advised on 1/31/61, that they had resided in the area for 2 years. They stated that they had no contact with the subject and had not observed that the subject appeared to be friendly with any of the people in the neighborhood. It was observed that the house occupied by the subject is a large brick structure, located on a relatively small plot of ground. Other houses in the immediate area are smaller and less expensive in appearance. The individuals mentioned above, neighbors of the subject, advised that they had observed no activities at the home of the subject, that would indicate meetings or gatherings were being held there.
