Dear Cliff,

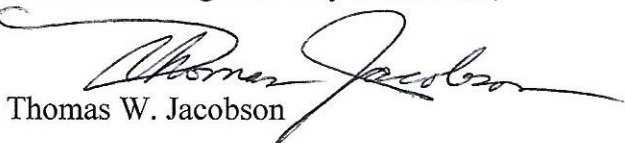

I am writing to you as a Christian leader, voice of truth, and fellow watchman (Ezekiel 33-34). I have invested decades of my life studying the Scriptures regarding the matters in the enclosed book, and Dr. Wm. Robert Johnston and I both have invested decades in researching abortion. For the reasons stated below, I appeal to you to use your platform more boldly to teach Biblical, historical and scientific truth in these areas of sanctity of life and abortion.

Many Christian leaders are reluctant to talk about abortion, but it is the number 1 cause of death in the United States and worldwide, greatest evil of our time, Greatest Genocide in history, and may be connected to the global pandemic and self-destruction of our nation. The Lord revealed that He is deeply concerned about this, is weeping over the innocent bloodshed, and wants us to be deeply concerned about what He is deeply concerned about (Haggai).

This year, 2020, marks 100 years since the first nation in the world (Russia) authorized elective abortion. Currently the U.S. and 136 other nations have authorized abortion on demand or for limited reasons. Since 1921, more than 1 Billion Babies have been murdered by abortion, including 61.3 million in our nation (2,300 every day). The Lord commissioned Dr. Johnston and me to document the sacred lives of each of these babies in the *Abortion Worldwide Report: 1 Century, 100 Nations, 1 Billion Babies. The History, Policies and Sacred Accounting, and the Means to Restore Protection of Human Life*. This book contains Biblical foundations for the sanctity of human life, human rights, civil government, and law (Part I), the history, policies and abortion data (Parts II-VII), accountability of nations to God (Part VIII), words of truth (Part IX).

We created this book to equip Christians in every sector for such a time as this. I ask you also to: (1) read Parts I, VIII, IX, and X, and peruse the other parts; (2) remember the lost babies and those now at risk, and do whatever the Lord calls you to do in response; (3) use the AWR as a primary source, and make it known; and (4) prayerfully consider the Biblical connection between idolatry, immorality and child sacrifice [abortion today], and God's judgment and plagues.

For the sacred gift of very human life,

Thomas W. Jacobson
