

# First Amendment Freedom to Proclaim the Bible VS the Homosexual Media Cabal

Christian News, July 15, 2019 (Vol. 57, No. 28)

*“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.”*

The Christian Church has indeed found in the United States a strange and wonderful country to establish the religion of the Bible. Every government in every country is its own petri dish of culture, laws, customs, rights, limitations, tyranny, dictatorship, or liberty. The word of God is free from the authority of the State, but the manner in which Christianity is allowed to express and shape itself is greatly influenced by the country and government in which it is located.

The first Amendment to the United States Constitution and the sheer magnitude of this country has permitted the freest expression and form of Christianity imaginable.

Indeed, nothing has caused more upheaval in the media and politics in the United States than the influence of Christianity on social and cultural norms.

As time progresses polarization has increased into competing definitions of culture and life, namely Christianity VS the homosexual cabal. The strongest conspiracies are formed by men and women whose greatest desire is to have sex with those of the same gender. The delusion is so powerful that universities, courts, media, and the Democratic Party deny the existence of genetic gender assignment at birth. In their madness they are free to claim that no one created anyone male or female.

In recent years it has become increasingly obvious that liberalism, socialism, the media, universities, feminism, abortion, the global pornography industry, sex trafficking, drug smuggling, and multiculturalism are all apologists or extensions of the nihilistic homosexual cabal. The masks have come off. The primary goal of the American media is to transform America into a totalitarian homosexual state.

Daniel warns that their leader, Antichrist, will be a homosexual, ***“And he will show no regard for the gods of his fathers or for the desire of women, nor will he show regard for any other god; for he will magnify himself above them all.”*** (Dan 11:37 NAS)

The collapse of Ancient Greece in the face of the Roman army was primarily due to Greece’s inability to produce enough soldiers to defend itself. Even the farce known as Evolution understands that gender confusion in mammals inhibits survival of the species.

The increasing influence of the homosexual cabal in the media, the legal system, American universities, mega corporations, and mainline Protestant denominations, is a unified effort to turn America into a homosexual state. The homosexual cabal rightfully recognizes that its foremost adversary is the Bible in the hands of believing Christians.

**It is no surprise that Pete Buttigieg is the top fundraiser among Democrat candidates for the first six months of 2019, with 7 million in the first quarter and 24 million in the second quarter, even outpacing Joe Biden.**

Freedom of religion, speech, and the press in this blessed nation means the freedom to speak your mind and promote your cause, which applies to all Christians just as it does to the homosexual cabal of sympathizers, enthusiasts, and practitioners.

In the past many of us may have wondered why the Apostle Paul spends so much time in the first chapter of Romans (v18-32) going after the homosexual agenda as his primary target for damnation. Paul lifts the veil and exposes the reality of the worldwide homosexual conspiracy as recently witnessed on the global celebration of Stonewall Day. In chapter two the apostle continues to attack the arrogance of self-righteousness and false religion, again, embodied today by the homosexual agenda.

God shows us the end result of men left to their own devices in freedom and riches with the destruction of Sodom and Gomorrah and their sympathizers and defenders such as even included Lot's wife. Christ makes this profound statement about the end of the world:

*<sup>28</sup> "It was the same as happened in the days of Lot: they were eating, they were drinking, they were buying, they were selling, they were planting, they were building;*

*<sup>29</sup> but on the day that Lot went out from Sodom it rained fire and brimstone from heaven and destroyed them all.*

*<sup>30</sup> "It will be just the same on the day that the Son of Man is revealed. (Luke 17:28-30 NAS)*

Living in a free land with free speech and freedom of religion is a wonderful gift but it also demands that free people speak because they bear the responsibility for their own government. *"unto whomsoever much is given, of him shall be much required"* (Luke 12:48 KJV).

What is the Christian to do in a free land with freedom of speech? The law must be applied, if not the 10 Commandments, then Nature's Law, which is most clearly revealed in the 10 Commandments. However, the Law, though necessary for any free people, is weak because it cannot change the human heart. A pedophile or a rapist in prison is still a pedophile or a rapist. Nothing changes the human heart except the Holy Spirit working through the Gospel of Jesus Christ.

Again, we quote Paul on the solution to peace, justice, and freedom in the human heart, for this is where it must begin, if there is going to be peace, justice, and freedom in the land.

*<sup>15</sup> Thus, for my part, I am eager to preach the gospel to you also who are in Rome.*

*<sup>16</sup> For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek.*

***17 For in it the righteousness of God is revealed from faith to faith; as it is written, "But the righteous man shall live by faith." (Rom 1:15-17 NAS)***

As we consider the sacrifices that were made, the wars that were fought, and the undeserved blessings we have received in this free land, the Church must do battle with the Sword of the word. Never underestimate the power of the Gospel to change the human heart. Now, more than ever, for the salvation of souls, the preservation of the family, and the preservation of the State, churches must preach the truth about Jesus Christ in Law and Gospel from the Bible.

Where the churches fail to speak clearly, as many of them are failing to do, laymen must rise up and proclaim Christ.
