

American Support for Extradition

Dear President Karzai and the Afghan People,

Thank you for working with our President, George W. Bush, to fight Al Qaeda terrorists.

Michael Isikoff of Newsweek wrote a story giving the terrorists a public relations bonanza, setting off anti-American riots throughout the Arab world, and causing the deaths of 17 people in Afghanistan.

I, the undersigned American citizen, wholeheartedly support any and all of your efforts to extradite Michael Isikoff to Afghanistan to face justice.

Signed: Mr. [REDACTED]
