Re: Freedom of Information Act Appeal

Dear Mr. Kincaid:

On April 13, 2009, you submitted a request for copies of University of Illinois records pursuant to the Illinois Freedom of Information Act (Act). The public records officer at the University of Illinois at Chicago responded to your request on May 1, 2009 and you have filed an appeal from that decision with my office.

My review of your original request and recent appeal leads me to conclude that you should be provided with access to the requested course syllabi. Accordingly, I hereby grant your appeal of this matter and remand this matter back to the public records officer at the University of Illinois at Chicago for further handling consistent with the position stated above. You should be hearing from the public records officer in the near future regarding this matter.

This letter constitutes the final administrative review of your request under the Illinois Freedom of Information Act. You have the right to seek judicial review of this decision pursuant to Section 11 of the Act if you so desire.

Sincerely,

B. Joseph White
