

# STATEMENTS OF SUPPORT

## **Carrie Severino, Chief Counsel for the Judicial Crisis Network:**

“Neil Gorsuch is exceptionally qualified, a fair and independent judge who bases his decisions on the Constitution, and he is widely respected on both sides of the aisle. He was confirmed unanimously to one of our highest courts in 2006, and I am confident he will receive bipartisan support again this time. Some Democrats may be tempted to obstruct his nomination, but we have already launched a robust campaign in key states and we will ultimately force vulnerable Senators to choose between obstructing and keeping their Senate seats.”

## **Neal Katyal, former Solicitor General under President Obama:**

“Judge Gorsuch is one of the most thoughtful and brilliant judges to have served our nation over the last century. As a judge, he has always put aside his personal views to serve the rule of law. To boot, as those of us who have worked with him can attest, he is a wonderfully decent and humane person. I strongly support his nomination to the Supreme Court.”

## **Leonard Leo, Supreme Court Adviser to President Trump:**

“Tonight President Trump did exactly what he told the American people he would do — nominate a distinguished, exceptionally qualified, and widely respected jurist to fill Justice’s Scalia’s seat on the Supreme Court. Judge Gorsuch possesses keen intellect, independence of judgment, integrity, courage, and a sense of fairness that is grounded in the Constitution and laws as they are written. This is what the President very much wanted in a nominee.

“Under our Constitution, power ultimately rests with the people. This ideal is at the core of Justice Scalia’s legacy. As we heard from President Trump’s inauguration speech, it is at the core of the President’s agenda, and it’s very much at the core of what Neil Gorsuch’s record is as a jurist.”

## **SBA List President Marjorie Dannenfelser:**

“President Trump has made an exceptional choice in nominating Neil Gorsuch to carry on the legacy of the late Antonin Scalia on the Supreme Court. In nominating Judge Gorsuch, President Trump has kept his promise to nominate only pro-life judges to the Supreme Court. Judge Gorsuch is a distinguished jurist with a strong record of protecting life and religious liberty, as evidenced by his opinions in the Hobby Lobby and Little Sisters of the Poor cases, and in his doctoral dissertation in which he wrote that ‘human life is fundamentally and inherently valuable.’ In the coming days, we will mobilize the pro-life grassroots nationwide and in key Senate battleground states to urge the Senate to swiftly confirm Neil Gorsuch to the Supreme Court. Should pro-abortion Democratic Senators choose to filibuster this immensely qualified nominee, they do so at their own political peril.”

## **Knights of Columbus – Supreme Knight Carl Anderson:**

“We applaud the president’s nomination of Judge Neil Gorsuch to serve on the Supreme Court of the United States. From his writings and his record it is clear that he will interpret the Constitution as it was written, including our first Amendment right to religious freedom, and the right to life of every person. Judge Gorsuch was confirmed without opposition to the 10th Circuit Court of Appeals in 2006, and has received a “unanimously well qualified” rating from the American Bar Association. It is hard to imagine a

better, and more qualified, candidate. The Senate should swiftly confirm Judge Gorsuch to the Supreme Court.”

**Editorial, The Denver Post, January 27, 2017:**

“Neil Gorsuch is a federal judge in Denver with Western roots and a reputation for being a brilliant legal mind and talented writer. Those who have followed Gorsuch’s career say that from his bench in the U.S. 10th Circuit Court of Appeals he has applied the law fairly and consistently, even issuing provocative challenges to the Supreme Court to consider his rulings.”

**Tea Party Patriots President and co-founder Jenny Beth Martin:**

“Tea Party Patriots and our network of supporters and grassroots activists across the country thank President Donald Trump for nominating Neil Gorsuch to be our next Supreme Court Justice. President Trump promised to nominate someone who is both exceptionally qualified and has a demonstrated record of interpreting the Constitution and our laws and by nominating Judge Gorsuch, he has kept his promises. Judge Gorsuch has a distinguished record that demonstrates he will be fair to all Americans, no matter their background or beliefs. Like Justice Scalia, he believes that judges should base their decisions on the actual text of the Constitution and our laws, not on personal policy preferences. During the campaign, President Trump took the unprecedented step of sharing a list of names from which he promised to choose a Supreme Court nominee. Exit polls showed that one in five voters named the Supreme Court as their top issue. President Trump has a clear mandate to choose our next Justice, and our network of grassroots activists will work very hard to ensure the Senate quickly moves to confirm Judge Gorsuch.”

**Chris W. Cox, Executive Director, NRA-ILA:**

“President Trump has made an outstanding choice in nominating Judge Gorsuch for the U.S. Supreme Court. He has an impressive record that demonstrates his support for the Second Amendment. We urge the Senate to swiftly confirm Judge Gorsuch to the Supreme Court, just as it did in confirming him to the U.S. Court of Appeals for the Tenth Circuit by a unanimous voice vote. During his tenure on the Tenth Circuit, Gorsuch has demonstrated his belief that the Constitution should be applied as the framers intended. To that end, he has supported the individual right to self-defense. Specifically, he wrote in an opinion that ‘the Second Amendment protects an individual’s right to own firearms and may not be infringed lightly.’”

**E. Donald Elliott, Yale Law Professor:**

“I have known him personally for more than a decade, since he was an attorney in the Justice Department. He is a brilliant mind, but more important he is a kind, sensitive and caring human being. Judge Gorsuch tries very hard to get the law right.”

**Neal Katyal, former Solicitor General under President Obama:**

“Judge Gorsuch is one of the most thoughtful and brilliant judges to have served our nation over the last century. As a judge, he has always put aside his personal views to serve the rule of law. **David C. Frederick, American Constitution Society, Board of Directors; Geoffrey M. Klineberg, American Constitution Society, Board of Advisors; et al.:**

“Neil is not only a good and humble man, he is also an outstanding jurist. We are fully confident that he will decide cases on principled grounds; that he will work tirelessly to get each case right, on its particular merits; that he will be thoughtful about the views of his colleagues, and will deliberate respectfully and productively to reach consensus where that is possible; and that he will demonstrate the integrity and ability that we all saw in our years as his colleagues.”

**Jane Nitze, former Obama administration attorney, Supreme Court clerk for Sonia Sotomayor, and clerk for Judge Gorsuch in 2008 and 2009:**

“He is extraordinarily fair-minded. He will approach each case the same, regardless of the issue or the parties before him, and he will have a great deal of respect for folks on all sides of the ideological spectrum. I worked for the Obama administration. I have to say, I’m 100 percent comfortable with Judge Gorsuch becoming the next Supreme Court justice.”
